CANADA.
No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

A. BONAR LAW.

The Governor-General,

His Royal Highness

The Duke of Connaught and of Strathearn, K.G.,
etc., etc.

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for

the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public *securities* of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

DOMINION ORDERS IN COUNCIL.

[340]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 7th day of February, 1917.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

HIS EXCELLENCY the Governor-General in Council is pleased to amend the Order in Council of 19th December, 1916, approving regulations for the administration of "Project Meadows" in the forest reserves within the Railway Belt in the Province of British Columbia by striking out the figures "13" after the word "clause" in the fifth line of section 1, and substituting the figure "2" therefore, and the same is hereby amended accordingly.

RODOLPHE BOUDREAU,

mh1

Clerk of the Privy Council.

[107]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 12th day of February, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated January 9th, 1917, from the Minister of the Interior, submitting that it is provided *inter alia* by section 22 of the regulations for the survey, administration, disposal, and management of Dominion lands within the Forty-mile Belt of the Province of British Columbia, as established by Order in Council of the 17th September, 1889, that a patent for a homestead should not issue to any person not then a British subject by birth or naturalization.

Emile Andre Marc, a French Reservist, now serving with the Second Life Guards, British Expeditionary Forces in France, has applied for

letters patent for his homestead, the east half of the North-west Quarter of Section 2, Township 4, Range 5 west 7th meridian, and, according to the evidence submitted, he has completed the required settlement duties. Mr. Marc was born in France and has not yet been naturalized. He left British Columbia for active service in August, 1914. His wife and child still reside in Canada. He requested, in December, 1914, that his patent be issued. Delay occurred in securing his application for patent at the front, and the issue of patent is still delayed because he is not naturalized. It will entail further delay to comply with the requirements of the "Naturalization Act," or it may be found impossible to do so while the homesteader continues on active service.

The Minister considers it a hardship that there should be further delay in this connection, and considers that the intention of the homesteader to become a British subject is in view of his active service sufficient compliance with the naturalization provision of said section 22 of the regulations.

The Minister states that another case of the issue of patent to an enlisted homesteader is before the Department, which is delayed because of the necessity of securing compliance with the "Naturalization Act," and other cases will no doubt from time to time arise.

The Minister therefore recommends that—in the case of homesteaders in the Railway Belt of British Columbia on active service for Great Britain or her Allies, who, by reason of such service and the difficulty of technically complying with the provisions of the "Naturalization Act," are debarred from or delayed in securing patent after the completion of duties—he be authorized to waive the requirements of said section 22 as to naturalization before issue of patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

mh8

Clerk of the Privy Council.
